Mrs. Dean's 7th Grade Math and Science Classes

7th Grade Science: 2" Binder
7th Grade Math: Scientific calculator, Stylus pen

Secondary students do not have a set list of supplies to bring (other than those above); however, we suggest bringing several notebooks, pens, pencils to the first day of school. If you are enrolling in a PE class, you will need a pair of shorts, T-shirt, sneakers for class. Anything beyond these items needed for class will be announced by the classroom teacher the first day.

Locks will be provided for PE lockers. If students wish to put locks on their hall lockers, they may do so. We ask that a copy of the combination or key be given to the office for safekeeping.
