### Mission Statement:

The mission of Elwood Public Schools is to provide a safe environment that fosters continuous learning and prepares students for an evolving global society.

## A PLACE FOR EVERYONE

### WELCOME TO ELWOOD PUBLIC SCHOOL

Elwood Public School is located in central Nebraska encompassing Johnson Lake and Gosper County. The school, community and businesses of Elwood take pride in being an inviting, self supportive village with numerous family and recreational activities. The Elwood Foundation, Gosper County Carnival Association, Teammates Mentoring Program and Lion's Club serve as examples of outstanding community involvement.

Technology is continually updated to include Distance Learning opportunities, modern presentation equipment, and optimal Internet access. Channel 10.4 on the local cable keeps patrons aware of school events and broadcasts highlights of sporting events.

Elwood is a member of the Fort Kearny Conference and a class D1 school. A coaching staff with a combined experience of over 85 years adds to the continuity and success of the Pirate athletic teams. An active booster club and community openly support the school and an all-weather track, well maintained football field and gym provide athletes with great facilities to compete to their full potential. As a reflection of patriotism, all staff and students are asked to refrain from wearing cover at indoor sporting events, both home and away.

Elwood prides itself in creating an atmosphere of positive learning, academics, sportsmanship, and respect. Our faculty and staff nurture academic growth of students in core subjects as well as in fine arts, industrial arts, foreign language (German and Spanish) and family and consumer science offerings which include distance learning and dual credit courses.

With each semester, each event season, each student, Elwood Public School strives to further the respect, safety, and individual responsibility of all those who enter our doors.
